WEEKLY ROSARY FOR PEACE & HEALING

Join us every Friday, immediately following the 8:30 A.M. Mass.

Dear Brothers and Sisters in Christ,

Ten lepers ask Jesus for healing, and after being healed, only one returns to thank Him. This familiar story in the Gospel reminds us of our need to be thankful for all that God gives us. In the month of October, dedicated in particular to the Rosary and to prayer for an increased respect for the dignity of all human life, we are reminded to thank God for the gift of life and health. The leper who returns is abundantly aware that his life is a gift of unfathomable worth.

Do we recognize how precious life is at all stages? Do we actively demonstrate respect for the elderly, the sick, the suffering? Do we value the gift of our own lives and respect ourselves by caring for our health? Do we recognize that the most fundamental right is the right to life?

Respect for the dignity of human life takes many forms – service to the poor, sick, elderly, abandoned, orphaned and alone; work with prisoners or for the abolition of the death penalty; pro-life work, either with women in crisis pregnancies, healing work for those who have suffered abortion, or work to end the abortion industry. The Gospel we hear today reminds us very simply to be thankful for the gift of life and to bring that gift always back to the feet of Jesus.

In an election season such as this, we Catholics should remember that the deliberate destruction of human life in the womb is always a violation of the dignity of human life – both the life of the child in the womb and the mother of that child. No Catholic – politician or otherwise – can support abortion in good conscience. Furthermore, we should remember that the merciful, healing love of God is always available to those who have suffered as a result of abortion. There is always mercy in the heart of Jesus, and there is always mercy in the heart of His Church! Let us come to the feet of Jesus giving thanks for the gift of human life, and ask His grace that we might be witnesses of the dignity of human life in all its stages.

Peace,

Fr. Sam

A COURSE ON CATHOLIC MINDFULNESS

Catholic Mindfulness, a course developed and taught by Dr. Gregory Bottaro, a Catholic psychologist, will help you learn how to put faith/trust in God into action, and bring peace to your life. Mindfulness is proved to reduce anxiety, depression, and a host of other disorders. Catholic Mindfulness is the integration of Abandonment to Divine Providence and other Catholic spiritual principles with the practice of mindfulness.

• Gain freedom from ways of thinking you thought you were stuck with forever • Understand the workings of your own mind in a brand new way • Learn how to put into practice the trust in God you always wanted to have • Decrease distraction and thought patterns that lead to anxiety and depression • Stay focused during times of prayer or anything else you want to be more present to in your life Saturday mornings 9am - 10:30am EST for 8 weeks from October 1 until November 19. The course is available in person or online. Classes will be archived after they are live-streamed and will be viewable any time.

Visit www.catholicmindfulness.com for more information, or e-mail drgreg@catholicpsych.com.

PLEASE DRIVE CAREFULLY

At this time of the year when children are back in school and Religious Education Classes, we all need to be extra vigilant when driving in town and most definitely in our church parking lot. MERCY AND NEW STRENGTH – POPE FRANCIS, OCTOBER 12, 2013

When we are weary, downcast, beset with cares, let us look to Mary, let us feel her gaze, which speaks to our hearts and says, "Courage, my child, I am here to help you!" Our Lady knows us well, she is a mother, she is familiar with our joys and difficulties, our hopes and disappointments. When we feel the burden of our failings and our sins, let us look to Mary, who speaks to our hearts, saying, "Arise, go to my Son, Jesus; in him you will find acceptance, mercy, and new strength for the journey."

STEWARDSHIP IS A WAY OF LIFE

Jesus healed 10 lepers in today's Gospel. Only one (10%) came back to say thank you. I, too, have received many blessings from the Lord – indeed, all I am and all I have is gift! How and how often have I remembered to thank Him?
